WHO AND WHAT IS COVERED?

COVERED PERSONS:

All AYSO **currently** registered* members [players, coaches, managers, team workers, scorekeepers, referees, officials and volunteer workers] are “Covered Persons” for accidental bodily injury while participating in the following covered activities:

- Team practice sessions, scheduled games, tournaments, or other AYSO sanctioned activities [meetings, banquets, fundraisers] provided they are under the direct supervision of an AYSO registered volunteer.
- Travel of covered members to and from a sponsored activity such as practice sessions, games, tournaments, or AYSO sanctioned activities, provided that players are traveling as a team and a licensed adult driver operates the vehicle.

**Registration requirements will be verified before any benefits are paid.*

COVERAGE INCLUDES:

- **Excess Accidental Medical Benefit:** The policy will pay Medical Expenses a registered member incurs for covered services that exceed amounts payable by any other insurance plan, subject to the deductible, benefit percentage, and benefit period. The registered member must submit their medical bills to any other applicable health care plan in force for the registered member as well as to the SAI benefit. It is recommended that you let your providers know there is secondary insurance with the AYSO SAI Policy and they may be contacted by that secondary carrier.
- **No Primary Insurance:** If there is no other insurance available to the registered member, the medical benefit will be processed on a primary basis subject to Allowable Expenses, and the policy terms, conditions and exclusions including the applicable \$1,000 deductible and 20% member Coinsurance.
- **Sickness Benefit:** The policy will include coverage for Covered Expenses incurred by a Covered Person as a result of an Emergency Sickness while participating in a Policyholder’s short-term Covered Activity. Emergency Sickness means an illness or disease diagnosed by a Physician and which first manifests itself suddenly and unexpectedly while a Covered Person is participating in a Covered Activity. The coverage is subject to the Deductible and subject to a \$2,500 maximum benefit for each sickness. No expense paid under this Benefit will be payable under any other Benefit or Rider in the policy.

DEFINITIONS:

Allowable Expense means a medical expense otherwise payable under the policy that is not in excess of 80% on a statistically valid industry healthcare claim benchmarking tool identified by the insurance company.

Benefit Period under this policy is 52 weeks from date of covered accident. The Benefit period means the period of time between the date of the Accident causing the Injury for which benefits are payable and the date after which no further benefits will be paid.
